## **\*Experience**

### **Freelance Web Designer**

May 2022 → current in Brooklyn, NY

- Created a portfolio website for 3 clients using Figma, HTML5, CSS3, and JavaScript.
- Improved the frontend and content management system for the Futurefeed website by using Node, Gatsby.js and Contentful.
- Analyzed a website for web accessibility using WCAG 2.0 standards and provided a report with findings and suggestions for improvements, then programmed adjustments in collaboration with a team of product owners

### **Floor Staff @ Interactive Telecommunications Program at New York University**

September 2018 → May 2022 in Brooklyn, NY

- Checked in and out audio, visual and electronic equipment to students, residents and faculty, over 50x per day.
- Organized and inventoried equipment in 15+ equipment cages and classrooms.
- Provided support for faculty and students in managing, learning, and using equipment by explaining the proper use, assisting with proper hookup and helping students and faculty to troubleshoot equipment problems.

### **Production and Editing Assistant @ Wheelhouse Creative**

August 2017 → June 2022 in New York, NY

- Logged dailies 20x per day for the feature film, The World Before Your Feet (2018), executively produced by Jesse Eisenberg and directed by Jeremy Workman.
- Assisted on production for both on-location and studio sets
- Edited sequences using Adobe Premiere to create rough cuts

### **Product Design Intern @ Lex App**

October 2018 → August 2021 in New York, NY

- Formatting and reworked copy for personal ads, 50x per day.
- Assisted with design of user interface for iOS and Android for the beta mobile application.
- Front-end web design for the company website.
- Managed a bug logging and reporting system for the product manager to log bugs in the app and send them to a developer, 25x per day.
- Featured by NY Times, Wired, Vanity Fair, Bustle, i-D, and Them, gaining thousands of users.

Additionally, held customer service jobs in dining and retail at Walgreens, San Marzano, A.P.C. and Oddly Enough Bar.

---
