Better Things (TV, 2016 - present)

Watch...

if you like a wryly funny insight into the crueler sides of mother-daughter dynamics, dispensing tough love, cranky quips and hard-won feminist wisdom to three daughters who feel like real, volatile kids.

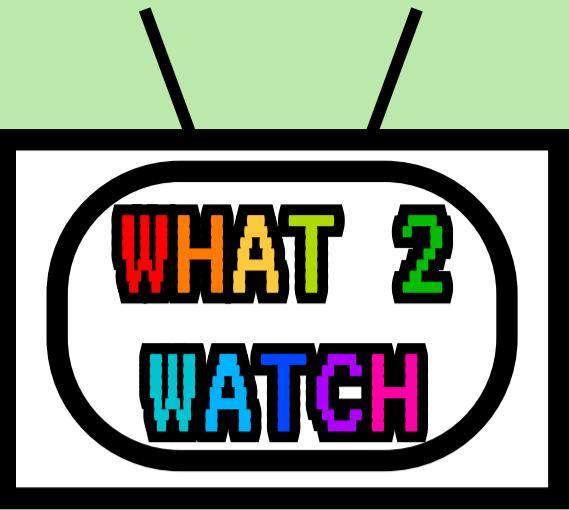

Skip...

if you prefer tightly structured sitcoms. Like Louis C.K.'s other loosely plotted shows, "Better Things" privileges smart dialogue and thought-provoking set pieces over concise storytelling.

Los Espookys (TV, 2019 - present)

Watch...

if you like surrealist monsters who make you laugh, and a Spanglish weirdo rendition of Scooby Doo's Mystery Machine gang.

Skip...

if you don't speak Spanish, and are too lazy to read the subtitles. This show also follows a bunch of freaky 20-somethings, so if you work on Wall Street, you might not get this one.
